

Plant Hire Specialists

"We pride ourselves in service excellence"

Welcome to SPH Plant Hire

Our Core Values

OUR MISSION

To provide the most productive equipment to meet clients needs, doing it on time and exceeding the expectations of the customer. With this to manage the business with high ethical standards and to act in a socially responsible manner, emphasising the well being of our team mates and the society we serve.

SPH Plant Hire is a proudly Botswana registered company.

It has been established since 2016 and services the whole of Botswana civil,

construction and mining sectors. We provide well maintained earthmoving equipment and experienced, competent operators.

OUR VISION

To become not the biggest but the most effective Plant Hire company in Botswana. In relation to customer service and providing reliable machinery and operators to ensure customer satisfaction. With this training and uplifting our team mates to fulfil future managerial positions and promoting positive attitudes and focusing on reliability and efficiency.
